

MATTHEW RUNDLE

APPLIED AI AND DATA LEADER

Austin, TX | matthewtrundle@gmail.com | [LinkedIn](#) | [GitHub](#)

Portfolio: matthew-rundle-resume.vercel.app

Applied AI and data leader with 12+ years of experience across analytics, team leadership and software delivery. Built the manufacturing execution system now running Western Magnetics' end-to-end production processing. Founded Domain Labs to build custom SaaS and AI communications products after leading data science and commercial analytics at Expedia Group.

CORE EXPERTISE

Applied AI | Product Strategy | Agent Workflows | Data and Analytics Leadership | Executive Decision Support | Manufacturing Software

PROFESSIONAL EXPERIENCE

Western Magnetics (Westmag) | South San Francisco, CA / Austin, TX

AI Systems and AI-Native Manufacturing Software | Jan 2026 - Present

- Built the manufacturing execution system from the ground up and deployed it to run Western Magnetics' end-to-end manufacturing processing.
- Translated factory processes into connected software and operational data across production, procurement, quality, traceability, finance, and factory operations.

Domain Labs | Austin, TX

Founder, AI and SaaS Solutions | 2025

- Partnered with small businesses to design and build custom SaaS applications, replacing dependencies on Shopify, Squarespace, and fragmented point solutions.
- Built a scribe application connecting clinical documentation with inventory and operational workflow tracking.
- Developed an agent-driven communications platform that automated email, phone, and sales outreach and helped several client companies generate new sales.

SELECTED PRODUCT WORK

CoreLinq Communications | Multi-tenant email, voice and SMS orchestration, with AI outcome verification, follow-up tasks, scheduling and human escalation.

CoreLinq Scribe | AI-drafted SOAP notes with editing, review and approval workflows, plus claims, pre-authorizations and practice operations.

DATA AND ANALYTICS LEADERSHIP

Expedia Group (Vrbo) | Austin, TX

Senior Manager, Supply and Commercial Data Science and Analytics | Apr 2021 - Jan 2025

- Led supply and commercial analytics to support market prioritization, property acquisition, and business planning.
- Established an executive analytics function delivering regular insights for commercial strategy and resource allocation decisions.
- Led development of listing quality scoring to support property performance analysis and commercial prioritization.
- Built and managed a team of six data scientists and established shared Python and SQL standards for analytics work.
- Integrated disparate data sources into executive reporting to support consistent business decisions.

Expedia Group (Vrbo) | Austin, TX

Manager, Analytics and Data Science | May 2019 - Apr 2021

- Developed market segmentation across more than 15 variables to identify and prioritize high-value property acquisition targets.
- Built regional reporting and analytics frameworks that improved sales visibility, prioritization, and commercial decision support.

EARLIER EXPERIENCE

HomeAway and Vrbo | Global Reporting and Analytics Manager; Data Analyst II | 2018 - 2019
